Gentlemen,

It is always a proud moment when the citizens of Treasure Valley step up to honor our great country. With sincere gratitude, I thank you for your efforts in replacing the flags on Veterans Memorial Parkway, in time for Veterans Day, 2016. Your efforts were noticed by the citizens of Boise and Garden City and we thank you for replacing the eight American flags and two Prisoner of War flags.

I appreciate your continued support in replacing and maintaining the flags for the next couple of years. Such a commitment shows a deep respect for our country and for the city of Garden City.

Sincerely,

Mayor John Evans
